Dear Ms. Bender:

Under the Freedom of Information Act, I request that a copy of the following documents be provided to me:

- Any and all communications sent between January 1, 2012 and January 15, 2016, including electronic communications such as emails, regarding Brady Sullivan Properties (headquartered in Manchester, N.H. but with properties in multiple states) between Environmental Protection Agency (Region 1) employees and Brady Sullivan Properties employees; between EPA Region 1 employees and other state departments throughout the region; and among EPA Region 1 employees
- Any documentation (digital or hard copy) reflecting action, inspections, or concerns EPA Region 1 has had about Brady Sullivan Properties, including any and all records indicating EPA's oversight of this company.

In order to help to determine my status to assess fees, you should know that I am a reporter for New Hampshire Public Radio, and this request is made as part of news gathering and not for a commercial use.

Before charging any fees for this request – if fees apply – please contact me first with an estimate of those fees. I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government.

Thank you for your consideration of this request. Please reach out with any questions.

Sincerely,
